Struggling with a failed marriage, a dark past, a rebellious daughter and corrupt bureaucrats and police officers, Behzat Ç disregards procedure, political correctness and etiquette to pursue and arrest serial killers, hitmen and violent criminals. His underlings from the Homicide and Vice desk aid and assist him in this struggle: the hot tempered, headstrong Harun, the streetwise Hayalet (the "Ghost"), the self-trained forensics expert Akbaba (the "Vulture"), the naive and green Cevdet, and Selim and Eda, who try to maintain a healthy relationship amongst the toil and trouble of dealing with murder every day. Behzat's brother, Sevket Ç, who administers a shopping mall, also occasionally throws in help. Each episode deals with a different murder, while the main plot thickens after the main villain, Ercüment Çözer, a sadistic serial killer holding many bureaucrats on his payroll, along with his tireless assistant Memduh Başgan, a shady ex-Gladio hitman are introduced. Almost all episodes take place in Ankara, Turkey.Behzat Ç.: Bir Ankara Polisiyesi featuring Erdal Beşikçioğlu and Canan Ergüder is not currently available to stream, rent, or buy in the UK but you can track it for updates in the UK.
